Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Dallam-Hartley Counties Hospital District Long-Term Care Facility Project in Fiscal Year 2027. The entity to receive funding for this project is the Dallam-Hartley Counties Hospital District, located at 1411 Denver Avenue, Dalhart, Texas 79022. The funding would be used for the construction of a new long-term care facility to provide modern healthcare services for residents in the Texas Panhandle. The project is an appropriate use of taxpayer funds because it will ensure continued access to essential long-term healthcare services, improve quality of life for older residents, and strengthen the long-term viability of the local hospital district.

The project has a federal nexus because the funding provided is for the purposes authorized under Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Ronny L. Jackson  
Member of Congress
