Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Midwestern State University Medical Imaging Equipment Project in Fiscal Year 2027. The entity to receive funding for this project is Midwestern State University, located at 3410 Taft Boulevard, Wichita Falls, Texas 76308. The funding would be used for the purchase of research and training equipment to prepare students for careers in radiological technology and advanced imaging specialties. This project is an appropriate use of taxpayer funds because it will help train additional medical professionals and address critical workforce shortages throughout the Texas Panhandle and High Plains regions.

The project has a federal nexus because the funding provided is for the purposes described in section 272 of title 15, U.S. Code.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Ronny L. Jackson
Member of Congress
