Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Randall County Fire Station Project in Fiscal Year 2027. The entity to receive funding for this project is Randall County, located at 501 16th Street, Suite 301, Canyon, Texas 79015. The funding would be used to construct a new fire station to service the underserved southwest portion of Randall County and improve emergency response capabilities. The project is an appropriate use of taxpayer funds because it will reduce response times, improve firefighter safety, and strengthen regional emergency response coordination in an area currently served by a limited volunteer firefighting force.

The project has a federal nexus because the funding provided is for the purposes authorized under Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Ronny L. Jackson
Member of Congress
