Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Red River Authority Arrowhead Wastewater System Rehabilitation Project in Fiscal Year 2027. The entity to receive funding for this project is the Red River Authority of Texas, located at 3000 Hammon Road, Wichita Falls, Texas 76310. This funding would be used for the construction of a new wastewater treatment plant to replace aging and noncompliant infrastructure within the Red River Authority Arrowhead Wastewater System. This project is an appropriate use of taxpayer funds because it will ensure regulatory compliance, protect public health and water quality, and stabilize essential wastewater services for rural communities in my Congressional District.

The project has a federal nexus because the funding provided is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq..

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Ronny L. Jackson
Member of Congress
