Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Red River Authority Estelline-Turkey Water System Rehabilitation Project in Fiscal Year 2027. The entity to receive funding for this project is the Red River Authority Estelline-Turkey, located at 3000 Hammon Road, Wichita Falls, Texas 76310. This funding would be used for critical infrastructure upgrades, including pressure improvements, pump station modernization, SCADA installation, and new ground storage tanks within the Red River Authority Estelline-Turkey Water System. This project is an appropriate use of taxpayer funds because it will ensure regulatory compliance, reduce water loss, improve system reliability, and protect access to safe drinking water for rural communities in my Congressional District.

The project has a federal nexus because the funding provided is for the purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Ronny L. Jackson
Member of Congress
