Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Electra Memorial Hospital Sleep Medicine Diagnostic Project in Fiscal Year 2027. The entity to receive funding for this project is the Electra Hospital District, located at 1027 S Bailey Street, Electra, Texas 76360. This funding would be used to construct and equip a dedicated four-bed sleep medicine diagnostic facility at Electra Memorial Hospital. This project is an appropriate use of taxpayer funds because it will expand access to essential diagnostic services in Wichita County, reduce delays in care, and strengthen the long-term sustainability of specialty healthcare services at this critical access hospital.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Ronny L. Jackson
Member of Congress
