Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Ochiltree General Hospital District Emergency Department Enhancement Project in Fiscal Year 2027. The entity to receive funding for this project is the Ochiltree Hospital District, located at 3101 Garrett Drive, Perryton, Texas 79070. The funding would be used to construct, renovate, and equip a modern emergency department, including dedicated trauma and treatment rooms, expanded triage space, improved infection control features, and updated trauma equipment and clinical technologies. The project is an appropriate use of taxpayer funds because it will enhance emergency care access, improve patient safety, and ensure the long-term sustainability of essential healthcare services for rural communities in the Texas Panhandle.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Ronny L. Jackson  
Member of Congress
