Dear Charwoman Granger and Ranking Member DeLauro,

I am requesting funding for the State Loop 335 Widen Non-Freeway, Amarillo, Texas, 13th Congressional District in fiscal year 2024. The entity to receive funding for this project is the Texas Department of Transportation, located at 125 E. 11th Street, Austin, Texas 78701. The funding would be used to upgrade the entire loop to a controlled-access roadway consisting of main lanes, ramps, one-way frontage roads with bicycle and pedestrian accommodations, and four multi-level interchanges. The project is an appropriate use of taxpayer funds because the Texas Department of Transportation, the City of Amarillo, and the Amarillo Metro Police Office have identified SL 335 as a top-priority, transportation project candidate—which will increase regional and local mobility and provide corridor redundancy for freight traffic and hazardous cargo in the Amarillo region.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ronny L. Jackson  
Member of Congress
