Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Potter County St. Anthony's Rehabilitation Project in Fiscal Year 2026. The entity to receive funding for this project is Potter County, Texas, located at 500 South Fillmore Street, Room 103, Amarillo, Texas 79101. The funding would be used to support the continued redevelopment of the historic St. Anthony's Hospital into affordable rental housing units for seniors aged 55 and older. This project is an appropriate use of taxpayer funds because it will preserve the architectural and cultural legacy of a historic facility that has served the Amarillo community since 1901, while boosting local economic growth and addressing the pressing need for affordable senior housing in the area.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ronny L. Jackson  
Member of Congress
