Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Denton Mingo Road Bridge Infrastructure Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Denton, located at 215 East McKinney Street, Denton, Texas 76201. The funding would be used for the design and engineering necessary to raise the Mingo Road Bridge over Cooper Creek in northeast Denton. The project is a valuable use of taxpayer dollars because it will allow the Mingo Road bridge to be reconstructed, improving emergency response reliability, reducing flood-related roadway closures, enhancing public safety, and ensuring greater resiliency of this critical regional transportation corridor.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Ronny L. Jackson
Member of Congress
