Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Donley County 9-1-1 Dispatch Center Modernization Project in Fiscal Year 2027. The entity to receive funding for this project is Donley County, located at 300 Sully Street, Clarendon, Texas 79226. The funding would be used to expand and update the Donley County 9-1-1 dispatch center. The project is a valuable use of taxpayer dollars because the modernization will improve dispatcher capabilities during natural disasters and other emergency events, helping to enhance response times and increase community safety.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Ronny L. Jackson
Member of Congress
