The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Canyon Lindsey Training Field Project Canyon, TX project in fiscal year 2025. The entity to receive funding for this project is the City of Canyon located at 301 16th Street, Canyon, Texas 79015. The funding would be used to construct a classroom building and live burn training facility at Lindsey Training Field. The project is an appropriate use of taxpayer funds because the Texas Panhandle recently experienced the largest wildfire in Texas State history, burning over 1.2 million acres and affecting or destroying nearly 500 homes. This project will ensure firefighters from across the State of Texas can continue their education and stay updated on required State Firefighter Certifications. This project will also expand training capabilities to provide live fire training essential to firefighter's careers, without the need for excessive travel.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ronny L. Jackson
Member of Congress
