Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Denton Masch Branch Road Wastewater Improvement Project in fiscal year 2025. The entity to receive funding for this project is the City of Denton, located at 601 East Hickory Street Denton, Texas 76205. The funding would be used to construct a new sewer line along Masch Branch Road in Denton. This project is an appropriate use of taxpayer funds because it will allow the city to construct oversized sewer lines in an area that is expected to see considerable residential, commercial, and light industrial development, which will be a large employment creator for the local community and a hub for high volume interstate and intrastate commerce.

This project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ronny L. Jackson
Member of Congress
