Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Red River Authority Farmers Valley Water System Project in fiscal year 2025. The entity to receive funding for this project is the Red River Authority of Texas, located at P.O. Box 240 Wichita Falls, Texas 76307. The funding would be used to make improvements in the Red River Authority Farmers Valley Water System, including a new ground storage tank, and pump station upgrades including control work and a generator quick connect. This project is an appropriate use of taxpayer funds because it will allow for the necessary repairs and replacement of aging rural water systems that are decaying, causing outages for consumers, causing leaks and increased rates to deal with water loss and updates to the infrastructure.

This project has a Federal nexus because the funding provided for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ronny L. Jackson
Member of Congress
