Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the West Texas A&M University Public Safety Facility project in fiscal year 2025. The entity to receive funding for this project is West Texas A&M, located at 2501 Fourth Avenue Canyon, TX 79016. The funding would be used to transform and revitalize a blighted, dilapidated building on West Texas A&M's campus into a public safety facility that will serve as a centralized home for the university's public safety operations. This project is an appropriate use of taxpayer funds because this project will meet the critical public safety needs of West Texas A&M and the broader community by providing a hub for public safety operations including police, patrol, investigations, dispatch, fire and life safety, lock shop, and emergency management and services.

This project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ronny L. Jackson  
Member of Congress
