Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Donley County Emergency Operations Center Project in Fiscal Year 2026. The entity to receive funding for this project is Donley County, Texas, located at 300 South Sully Street, Clarendon, Texas 79226. The funding would be used to support the development of an Emergency Operations Center (EOC) to serve as a command-and-control facility for coordinating response and recovery efforts during emergencies. The project is an appropriate use of taxpayer funds because it will allow for the coordination between local, state, and federal emergency response efforts, improving preparedness and public safety in Donley County and the surrounding area during natural disasters and public health threats.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ronny L. Jackson  
Member of Congress
