Dear Charwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Runaway Bay Wastewater Infrastructure Update project in fiscal year 2024. The entity to receive funding for this project is the City of Runaway Bay, located at 101 Runaway Bay Drive, Runaway Bay, Texas, 76426. The funding would be used to complete ten emergency wastewater projects that will prevent untreated wastewater from flowing into Lake Bridgeport. The project is an appropriate use of taxpayer funds because it will greatly help the City prevent untreated wastewater from flowing into Lake Bridgeport and reduce the exposure and health risks associated with contaminated drinking water.

The project has a Federal Nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ronny L. Jackson  
Member of Congress
